Seabrook Science Magnet Program Parent Information Meetings

When:

Wednesday, December 9, 2009 at 7:00pm
Thursday, January 7, 2010 at 7:00pm
Tuesday, January 12, 2010 at 7:00pm
Thursday, January 21, 2010 at 7:00pm

Where: Seabrook Intermediate School Cafeteria

Is science your 5th grade student's favorite subject? If your 5th grade student has a passion for science, then he/she might be interested in learning about Science Magnet Program at Seabrook Intermediate. All 5th grade students in the CCISD school district are eligible to apply to the Science Magnet Program for their 6th, 7th and 8th grade years.

There will be four parent information meetings; one during the month of December and three during the month of January to hear about the Science Magnet Program, learn about the application process, meet teachers, view the school, meet current students, meet former students and gain the answers to your questions.

The same information will be presented at all three meetings. You only need to attend ONE of these meetings.

Please contact Jan Larsen, 281-284-3185, at Seabrook Intermediate for more information.
