Happy Spring!!! The 20th of March marks the first day of Spring! This would be a great time to do some spring cleaning such as reviewing your bylaws to insure they are up to date. As well as purge records so anything over 5 years can be properly disposed. Also, update your membership database for any new changes in contact information and please pass along to us as well. As you

elect new officers, don't forget to change signatures at the bank on your booster club account. Although we will be on Spring Break next week March 15-19, please continue to send us your updated information regarding all the newsletter request. Also, If you are receiving this newsletter and are no longer an officer or no longer have a child in the program,

please let us know. We wish you all a wonderful Spring Break and for all those who will be on the road, safe travels! We look forward to hearing back from everyone!

Happy Spring Break!

Liability Insurance

Due March 31, 2010

It's that time of year again when your annual insurance liability payment will be due. The due date is March 31, 2010, however, I want to give you a "heads up". The actual due date of the certificate is

not until April 13, 2010, but I need to have payment to Pugh Insurance prior to that date. Due to our great Booster Clubs, the premium did not increase!! Therefore, the cost of your annual Booster Club liability coverage will remain the same at \$50.00. You are not required to purchase this umbrella policy, however, you are required to show "proof of liability insurance". If you are able to find a different policy, you just need

to send me proof of insurance from the other carrier.

* Please make your check out to Pugh Insurance for \$50.00

* Send your check to me at:
Clear Creek ISD
Internal Audit Department
2425 East Main Street
League City, TX 77573

Website "Boost"

Calling all officers! We want to "boost" up CCISD website and need your help! First, we would like to have a link to each individual booster club's website for people to see what is going on and how they can get involved. So, please send us your website's so we can send it to the ap-

propriate people. We also would love to feature pictures from your booster club's fundraisers, competitions, games and any other events in which you all are involved. Don't forget to mention the name of your school, booster club and people who are in the pictures. Thanks so much

and we look forward to hearing back from you!

Required information due August 2, 2010

Officers Updates

As you are going through the annual process of electing new officers, please send me a list of your updated officers and their contact information.

This should include:

1. name
2. phone number
3. email address
4. title

This is extremely important so that the transition of information and officers goes smoothly. It will also allow any issues and or questions to be resolved and answered in a timely manner. So, please send me an updated list of officers as well as forward the newsletter to the correct officers.

Thank you so much for helping this process become more efficient for everyone!

* This might also be a great time to review your booster club's bylaws for any necessary revisions! If you would like a sample to go off of, please let us know and we'll get one to you. Thanks!!

Group Exemption Update!

At last!!! I know you don't hear me singing, which is probably a good thing, but I am doing the happy dance! With the assistance of our IRS advocate, I finally got word from the IRS regarding our group exemption status. We will be ap-

proved on April 11th 2010! This means that our 501(c)3 group exemption will be official as of the above date (technically from the earlier date of submission). I will also receive documentation to distribute to all those who are

part of the group exemption. Thank you for your patience and congratulations!

JROTC Military Ball!

For the seventh year in a row, I attended the Clear Creek ISD JROTC Military Ball with my father, who is retired from the Air Force, as my date. If you have never been to one of these functions, it is definitely a grand site to behold. The students, in their, "mess dress" looked awesome. It was a wonderful night as I enjoyed the speech by guest speaker General Bailey as well as the Ms. JROTC pageant.

I am so thankful for all that our ROTC program does for our District. Thank you to Major Brown and the entire ROTC and LDC staff as well as our Clear Creek, Lake, Brook, and Spring Booster Clubs who support our students. WHAT A NIGHT!!

E-Postcard

It is not too late to file your Booster Club e-postcard. Although it was due November 15th, 2009, it is VERY important that you file your e-postcard immediately. The IRS is being very lenient with Booster Clubs (and oftentimes will not add a late fee). If you

have not filed your e-postcard, please do so immediately. Instructions are on page 31 of the Booster Club manual. If you have any questions, feel free to give me a call and I will be more than happy to assist you in any way that I can.

* If you have not filed an e-postcard in 2 years, the IRS will delete you from their list & you have to get a new EIN#

Don't forget to file the e-postcard for your Booster Club

Call the IRS at 1-877-829-5500

Clear Brook Choir Banquet

Pasta Amoré

Let me set the scene....a full moon glistening on the water as I strolled down a cobblestone street in Vince, Italy....wait, I wasn't in Italy, I was at the Clear Brook High School Booster Club banquet! It truly was a night in Italy, with a lovely Italian dinner, catered by Applebee's, followed by a raffle and silent auction. Company B performed three amazing songs under the direction of Jon Marcum. I also managed to go home with a beautiful dress from the silent auction donated by Caché!

On a side note, the Clear Brook choir also went on to place 3rd in the Madrigal Festival. Congratulations!!

CiCi's Pizza in Kemah and League City is more than an endless buffet! At CiCi's we're passionate about our community and education. We have fundraiser night opportunities, where we help raise money for your school or organization by donating 10% of the sales that your organization generates! We will work with you to schedule time slots to maximum success and maximum your money. Ask a manager for details about how to set up a fundraiser night!

We can also help you raise money by supplying pizza for your events (ie. Sporting events, concessions, banquets, dances, etc.). By purchasing large pizzas at a reduced price and selling it by the slice, your organization could make hundreds!

We also have catering! You get the folks together we'll give you all the pizza, pasta, salad, and dessert you need. All you have to do is call ahead and tell us what you would like to include and how many guests you'll have. Call a manager to see what CiCi's can do for you!

Call and order as many 15" large 1-topping pizzas for \$5.99 for your school or team parties. Delivery available, call for details!

FOUNDED BY FIREMEN™

We opened our first Firehouse Subs 15 years ago. It's been a five-alarm blaze ever since. As sons of an entrepreneurial firefighter, and firefighters ourselves, we knew we'd get our slice of the American dream, once we agreed on the flavor. Now, nearly 400 units strong and thousands of catered events later, we've got something burning bright. Like every firefighter we know, people everywhere love subs piled high with the best meats, cheeses and toppings around. We are dedicated to helping firefighters in every city and supporting our local communities, our employees forgo tips in favor of our public safety fund which goes directly to buying equipment for our local fire departments, such as a jaws of life.

We offer fund raising opportunities at night for your school, church or booster club. We donate 10% of **all** of profits for the night of your event, starting from 4pm till close, and that counts as 10% for **all customers**, whether they are from your organization or not!!

We can also supply food for your catered events. That includes chips, cookies, drinks, all the condiments and 5 full feet of subs in each platter. In addition we can help you raise money for your organization by selling our subs to you at a reduced price for you to sell at your event and keep the profits. In short anything we can do for you, your organization, or just for your own parties, we are just a phone call away. Tell us what you need and we'll make it happen!
