

CCISD's College and Career Fair
November 18, 2015
6:00 – 8:00 P.M.
Education Village/Clear Falls High School

Recruiters will be using scanner technology this year at CCISD's College Fair program. Please register online, and either print out your sheet from the website to bring to the college fair or pull up their information on your smart phones.

This will give college representatives more time to talk with you instead of filling out cards. It will also mean more one-on-one time for questions and answers. Recruiters will scan your information and put it into their data base much faster and more efficient. No more lag time with data entry or losing cards. They will have all of your information safe and secure in our scanners.

The website is **FREE** for you to sign up and use. You may enter all of your information, major interests, extracurricular interests and more.

To set up an account, go to:
